**Subject:** Microsoft Settlement

The proposed settlement as it stands will not curtail Microsoft's actions in the computer industry. It does not go far enough to restrict Microsoft to legal and fair play. One can easily see parts of it are vague and Microsoft will be able to drive an 18-wheeler thru the loop polls in it.

Microsoft did not take the 1995 DOJ agreement seriously, nor will it take this current agreement seriously.

Please do not accept and approve the proposed settlement as it currently stands. Please send it back to the drawing board.
